FURNITURE & ACCESSORIES

Rustic Log Futon Frame

This full size log futon frame provides a perfect set piece to any living space. Add a mattress and relax on its cushioned comfort during the day. Convert it at night to comfortable sleeping accommodation. Crafted of natural cedar, this futon frame is as durable as it is beautiful.

Futon Cover

Full size forest green cover in a heavy duck material will enclose your entire mattress to protect from wear.

Vinyl Futon Cover

Heavy but pliable vinyl material will enclose your entire mattress in waterproof cover for protection against liquid spills. The forest green duck cloth cover can be used over top of the vinyl cover for comfort and appearance.

Futon Mattress

Inner-spring mattress by Simmons, comes with a 10 year warranty and is designed with individually pocketed beauty rest coils, 4 layers of 1/2" foam and 2 layers of a cotton/poly blend to provide comfort in sitting or sleeping.

Log Wall Hooks

These simple and rustic wall hooks mount easily and provide convenient hanging storage for your cabin. All hardware included.

Wall Mounted Table

This unfinished Southern Yellow Pine wall table will make a handy addition to your cabin. With a solid 1.25" thick top, it is designed for heavy use.

Bunk Bed

Outfit your cabin with bunk beds to optimize the available sleeping space. The beds are functional and attractive and built to last.

Double Bed

Sleeping in a bunk bed doesn't suit everyone and if your preference is lower and larger, our double bed is for you. Conestoga offers a 54" x 74" foam mattress which fits perfectly.

Bunk Over Double

This unique configuration allows for the convenience of stacked bedding but retains the comfort of a larger size bed. A perfect set up for parents/child or for counselor/camper sleeping arrangements.

High Back Rocker

A cabin classic and intended for lots of use! Put your porch to work with our handsome white cedar rocker. Your guests will love relaxing in this easy-riding rocker.

Rated #1

Exterior Stain

Woodguard was rated #1 in a recently released independent study of the log home industry. This exterior finish, when combined with tint (included), will penetrate deeply to give our cabins a beautiful honey cedar glow. It's easy one coat coverage, exceptional water repellency, and protection against UV rays makes Woodguard the perfect choice to treat your log cabin.

Interior Finish

Zip Guard is a water based polyurethane that is environmentally friendly and great for cabin interiors. It's clear finish helps to keep the cabin bright, while allowing the woods natural beauty to shine through. Because Zip Guard is water based it dries quickly, and has less odor than oil based finishes.
